SUBJECT: James W. Jackson

Dear Ray:

We appreciate the material which you recently sent concerning the above named individual. This is most helpful and gives us all we need for a file except the substantiation of the previous charges.

Can you not determine where Mr. Jackson was previously convicted, so that we can get newspaper clippings or court records? If you have the present case now completed this also would help by giving us all the material which we need.

I know sometimes that cases can drag on a long time, but if this case has been completed then we would have a file which would enable us to refuse registration anywhere in the country.

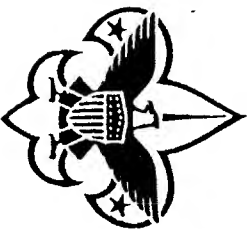

Sincerely,

Paul Ernst, Director

SUBJECT: James W. Jackson

Dear Ray:

Thank you for your letter of April 22 concerning the above named individual. I feel we should establish a confidential file on this individual since it is very possible that he will try to register again with the Boys Scouts of America in another location.

I am enclosing a Confidential Record Sheet which I would like to have completed so we may identify Mr. Jackson should he attempt registration in another location.

We would also like any copies of newspaper clippings or court records which would substantiate his arrest on child molestation charges.

Thanks again for your help in protecting the youth of America.

John F. Linton

Mr. Jackson was arrested somewhere around March 1, 1988, and charged with child molestation. It is possible that he has been arrested once before in Texas and once in Louisiana.

Col. L. James Starr, Jr.

The Cub Master had his application in hand, but felt uneasy about processing it at the time.

Ray A. Smith

Since this person is not actually registered with the Boy Scouts of America, we are sending you this for information only.
